NEW WEB-SITE FOR EUCLID

The web-site for EUCLID has been restructured and updated. You will find the new web-site at <http://www.jbi.hio.no/bibin/euclid/>. One priority now is to update the directory with correct addresses, contact persons and URLs. Please, control the information about your own school and send correct information to g.a.van.der.molen@pl.hanze.nl and Kjetil.Iseli@jbi.hio.no.

The site is under continuous development, so we are grateful for any comments and proposals.

BOBCATSSS 2005: EUCLID WORKSHOP

A EUCLID-workshop will be integrated into the BOBCATSSS-2005 programme. The Bologna-process, European curriculum development in LIS and the question of accreditation of LIS-educations will be central topics. So go to <http://www.bobcatsss.nu> and register as a participant.

INVOICES MEMBERSHIP 2005

Invoices for next year's membership fee will be distributed in the first weeks of December 2004.

ALISE-CONFERENCE BOSTON 2005

The ALISE-conference in Boston January 11-14 2005 (<http://www.alise.org/>) will discuss some of same topics that we will focus upon at the workshop at the BOBCATSSS-conference in Budapest a few weeks later. Marion Huckle from CILIP and EUCLID's chairman Ragnar Audunson will represent European perspectives at a discussion on LIS education and certification at this conference. EUCLID-members are welcome to participate.

Happy Christmas and see you in Budapest!
